English Language Creative Writing workshops – 2010/11

Visit **The Bowes Museum** to discover a world of treasures to inspire your pupils' creative writing. They will have the opportunity to research and gather ideas with a professional author, using historical objects and works of art from the Museum's collections. Students will creatively use sources other than books and the internet to develop their writing.

Study ***Dramatic Monologues*** with some of the characters from the inspiring collection of portraits and objects from the Bowes Museum.

This is a **free** workshop providing students with the opportunity to work with a professional author for 4 hours (2 hours in the morning and 2 hours in the afternoon) in the galleries on creative writing activities inspired by the works of art and objects in the collection.

Sessions are available to schools and colleges on a **first come, first served** basis so please contact The Bowes Museum to book your workshop.
